

Financial Policies and Options

Thank you for choosing our office for your dental needs. We realize that every person's financial situation is different. For this reason, we have worked hard to provide a variety of payment options to help you receive the dental care you need and deserve that allows you to enjoy a healthy, beautiful smile with respect to your budget. Dental treatment is an investment in your overall healthcare and we are always available to answer your questions or assist you in any way we can.

To maintain the practice operations and prevent potential misunderstandings, we ask patients to accept and adhere to the following financial arrangements regarding their dental treatment.

Optional Payment Terms:

- **Full Pay Cash Discount:** For dental treatment over \$300, we offer a 10% accounting courtesy for treatment that is paid in full (cash or check) at the time of service. A 5% discount will be applied if you pay by credit card (and for treatment less than \$300). If you have insurance, we will file your insurance at no charge and the insurance company will reimburse you directly. If you do not have dental insurance, please ask us about our in-office discount dental option - **The Healthy Smile Plan.**
- **Major Service - Two Payment Option:** We offer a two-payment option for Crown, Bridge, Implant and Denture treatment. We ask that you pay one-half of your co-payment at the initial appointment and the second half at the follow-up appointment.
- **Credit or Debit Card Payment Option:** We accept all major credit and debit cards.
- **Care Credit – Dental Credit Card:** We've made arrangements with a credit card company that will finance your dental work with approved credit. This will allow you to complete your dental work without delay and make relatively small monthly payments. Short term interest free loans (6 months or less) or longer term loans with smaller monthly payments are designed to meet your treatment needs and budget. Application forms are available at the front desk. You can also apply online at CareCredit.com.

***For the portion of your dental treatment that insurance does not cover, payment is expected at the time of service. We accept Visa, MasterCard, Discover, American Express, Cash, Checks and Debit Cards.
